YACHTSMEN ATTENTION.

Commodore Hobron has issued a request to all the members to file certificates of ownership of the yachts with the secretary P. L. Weaver Jr. at the earliest moment, together with the promise of a certificate of measurements signed by the official measurer, specifying dimensions and placing the class of the boat.

A regular form has been issued to all club members and the matter is being urged. The filing of such certificates is one of the preliminaries of a yacht association and the measuring is necessary to the handicapper who has a sufficiently hard task already with Johnnie and the carrying movable sidewalk and the many different craft now in the fleet to which the ordinary measurements of sail area will hardly apply for fair handicapping. The winning pennants for the last regatta are on exhibition in Pearson & Potter's window.

HELPED ALONG THE HORSES.

A Thanksgiving Day house moving furnished an amusing episode on Thursday. Two wagons loaded with furniture were removing the household gods of some family who probably chose the day because the holiday furnished an opportunity for the master of the house to put in his spare time hanging pictures and laying carpets.

On the second moving van a piano was carefully secured and the driver's assistant, entering into the spirit of the occasion and being of a musical turn of mind, improved the opportunity by playing a merry tune upon the instrument, possibly with a view of lighening the hearts of the horses or out of pure Thanksgiving day jollity.

It was suggested by a passer by that the musician was the owner of the piano who, determined not to let the instrument get out of tune in the moving process, stayed with his possession and kept the wires in harmony until the destination was reached, thus saving a tuning fee.

With due appropriateness such of the chords as were distinctly audible suggested the strains of "Home Sweet Home" and "Some Day We'll Wander Back Again." It was a case of "Music bath charms to move the savage beast" as the horses snorted merrily along to the literally "moving" strains of the accompaniment.

DAVIS FOUND GUILTY.

The trial of William Davis, charged with assault and battery with a weapon dangerous to life, was concluded before Judge Gear yesterday. The jury returned a verdict of guilty in a short time after retiring. Notice of appeal and motion for a new trial were made by T. McCants Stewart. Davis is said to have shot a Chinese while on a spree with a companion on the other side of the island.

CLEVELAND SICK.

NEW YORK, November 29.—A special to the Sun from Trenton says: President Grover Cleveland is ill at his home in Princeton, having been threatened with an attack of pneumonia, from which however, it is said, he is now out of danger. Cleveland returned Wednesday evening with Mr. Endicott from a gunning trip in North Carolina. Shortly after his arrival home he was taken with a severe chill, and Dr. Wyckoff was summoned. Other symptoms developed, which made the physician and family uneasy, and today Cleveland's condition was such as to cause no little alarm.

The seriousness of his condition was most carefully guarded, and it was not until the crisis was believed to have been passed that the fact of his being ill became known. Dr. Wyckoff was most unwilling to speak on the subject tonight, having been informed of the desire to avoid publicity.

MOVING SLAUGHTER HOUSES.

The Board of Health held a short meeting yesterday to discuss the matter of moving the slaughter houses from Iwilei. Some of the representatives of the meat companies were present and signified their willingness to secure new sites. The matter was postponed to next Friday, by which time the butchers promise to have selected new sites and made plans to move.

A GREAT MEDICINE.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phipps, of Potomac, Ark. "It cured me of bloody flux. I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick

cures which it effects even in the most severe cases make it a favorite everywhere. For sale by all dealers Benson, Smith & Co., general agents, Hawaiian Islands.
